

## Calgary Pop-Up Care Village

**Sept. 27th, 2022**  
**12pm-6pm**

**Olympic Plaza**

A summer festival for anyone  
experiencing systematic vulnerabilities.  
The C-PUCV will be bringing agencies for case  
management, housing, healthcare, and more—but  
most importantly, this is a place where people can  
gather around, enjoy some good food, listen to  
some good music and hang out!
